30 East Apple Street
Dayton, OH 45409

Learner Objectives

After completing this activity, participants should be able to:

1. 1 Apply current evidence to make informed, patient-specific pharmacotherapy decisions in clinical practice.
- 2.
3. 2 Identify opportunities and limitations for incorporating recent literature into real-world clinical practice to improve medication-related outcomes.

For more information, please contact Katie Madding, Whitney Anderson, Elizabeth Svelund at

Disclosure: Premier Health adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible entities (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity.

Accreditation: Wright State University (WSU) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. WSU designated this CME activity for a maximum of 1.00 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disabilities Statement: As an organization accredited for continuing medical education (CME), Wright State University Boonshoft School of Medicine fully complies with the legal requirements of the Americans with Disabilities Act rules and regulations. If any participant needs accommodations, written requests should be submitted at least one month in advance.
