30 East Apple Street  
Dayton, OH 45409

### Learner Objectives

After completing this activity, participants should be able to:

- 1 To identify physician quality issues by OB/GYN as defined by the American Congress and Gynecologists and Neonatologists as defined by the American Academy of Pediatrics.
- 2 To evaluate specialty specific opportunities through review of morbidity and mortality
- 3 To engage in the most current best practice standard in providing maternal and neonatal care.
- 4 To review and discuss Fetal Monitor Strips which are pertinent to cases for review.
- 5 To enhance communication among maternal and neonatal clinicians to improve efficiency and quality of care for patients with complex maternal and neonatal conditions.

For more information, please contact India Myers, Sheri Hall at [ilmyers@premierhealth.com](mailto:ilmyers@premierhealth.com),

**Disclosure:** Premier Health adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible entities (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity.

**Accreditation:** Wright State University (WSU) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing

medical education for physicians. WSU designated this CME activity for a maximum of 1.00 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disabilities Statement:** As an organization accredited for continuing medical education (CME), Wright State University Boonshoft School of Medicine fully complies with the legal requirements of the Americans with Disabilities Act rules and regulations. If any participant needs accommodations, written requests should be submitted at least one month in advance.
