Dayton, OH 45409

Learner Objectives

After completing this activity, participants should be able to:

1. 1 The participants will be able to compare actual levels of performance to expected levels using STS and ACC Registry benchmarks.
2. 2 The participants will be able to identify opportunities for improvement in the management of cardiac and cardiac surgery patients.
3. 3 The participants will be able to discuss the most current best practice, evidence-based standards for cardiology and cardiac surgery.
4. 4 The participants will be able to recommend specialty specific action plans for practice improvement and enhance patient outcomes.

For more information, please contact Sheri Hall, Elizabeth Rike at sahall@premierhealth.com,

Disclosure: Premier Health adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible entities (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity.

Accreditation: Wright State University (WSU) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. WSU designated this CME activity for a maximum of 1.00 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disabilities Statement: As an organization accredited for continuing medical education (CME), Wright State University Boonshoft School of Medicine fully complies with the legal requirements of the Americans with Disabilities Act rules and regulations. If any participant needs accommodations, written requests should be submitted at least one month in advance.
